Career Objective

Passionate music producer seeking collaborative opportunities in a studio environment to create impactful music that resonates with audiences. With a Bachelor of Science in music production and extensive experience teaching music, I bring a unique composition and emotive music style and a variety of instrumental skills. Committed to contributing heartfelt passion and God-given talents to studio production efforts.

Skills

- Talented instrumentalist: piano, trumpet, electric and acoustic guitar, and organ
- Adept at music theory, songwriting, and sequencing techniques
- Proficient at recording, mixing and mastering tracks, microphone placement techniques, signal flow
- Well-versed in Pro Tools, Ableton Live, Logic Pro X, Melodyne, FI Studio, VST Plugins
- Music business: Scheduling studio bookings, copyright, and intellectual property
- Creating marketing graphics for singles and albums that reflect the music's message
- Business Software: Microsoft Office, Google Suite, social media
